

LEGEND / TINGMARGID:

	highway edge of designed ashpavement / proj. teekatte serv
	footway edge of designed ashpavement / proj. kooniteekatte serv
	highway edge of designed shoulders / proj. teespennid serv
	designed ditch / projekteeritud kraav
	curbstones / äärekivi
	land boundaries / aladastud äärekivi
	perspective road area boundaries / perspektiivne teemad pili
	traffic sign / liiklusmärk
	retro reflecting road studs / hõikivad teekatte tählised
	marker posts - white, yellow, blue / tähispost - valge, kollane, sinine
	existing communication trass / olem. sidevõrk
	existing sewage system / olem. kanalisatsioonivõrk
	existing sewage system / olem. kanalisatsioonivõrk
	existing low-voltage cable / olem. madalvoolu kaabel
	existing high-voltage over-head line / olem. kõr. voolu ühendus
	lighting pole / valgustuspole
	cable trench / kaabli kütik
	designed storm-water sewage / proj. sademeveete kanalisatsioon
	designed well / proj. resti- ja kanali, kaev
	cutting of trees / üksi, kpuude langetamine

	designed highway ashpavement / projekteeritud sõidutee kate (maanteel)
	designed footpath pavement / projekteeritud kergliiklustee kate
	designed entrance pavement / projekteeritud mahasõidutee kate
	designed planting / projekteeritud hoiastus
	designed gravel surface / projekteeritud kruuskate

	+60 - location of entrance STA / mahasõidu asukoht PK
	+60 TYPE/TÜÜP - L=1,4+5m
	+60 L=1,4+5m - length of ashp.concrete + length of gravel surface / asfalt, kate pikkus + kruuskate pikkus
