Product description

Aino is a sweet little hut that stands 970 mm tall, comprising three walls and a roof. Two of the walls have round windows and one outer wall has a disc game. It is perfect for playing house or shop. Bigger kids can climb onto the hut to look over activities going on in the playground. Brightly coloured, the hut will fit into a small space in order to increase opportunities for imaginative play and complement other equipment in the ABC family.

1 tower (+970 mm), 2 round windows, disc game
